“ Sadi'Jae A karen .misses you so much. I was having dreams about you . I told you but I never got to tell you what they were about. I had been telling everyone about you. I kept thinking of you . I hope you know how much you are loved. Watch over your mom and butterbean. I'll never forget you. Everyday I hurt so bad because I know how much your mom misses you and how much she loves you. Fly high baby girl . Now you got all them baby's to take care of and plenty of puppies. I have faith I will see you and Jay again. I know you 2 are together. I wud rather you both be here. This really hurts . I love you sooo
