“ Sharon Kay, that's what I called you. You were a sweet, sweet sister. I can remember walking to grade school holding hands and just chit chatting about stuff. Nothing real important, just talking. You had real pretty long dark hair. You always wore it in a pony tail. We'll you wore it like that until your two sister decided to give you a hair cut, with a bowl on your head. Yes, is was real short. You cried and cried and ask Mother if it would grow back the next day. Sadly No. Poor Sharon had to go around like this for a long while. We sang in the Beardsley girl's choir, and St. Mark's Church choir. We worked at Heart Park in the concession stand during summer break. When we got paid for work at Heart Park we would go to town on the bus and spend all our check on our 1st niece Dana. We loved doing that, because we loved Dana so much. We went camping as children. What a ball that was. My how times flies. Life goes on. That was more than 50 years ago. I will miss you dearly, sis. Just know that I love ever little bone. I will see you again in heaven. Love Carol

“ My Dear Sister Sharon,  
Oh' how I Love you so very much, you are so very precious to me.  
We had a lot of good times together went camping, to the coast at Pismo, ate fish and laughed and laughed, and cried a lot as well. We had our good times and then we had our little spouts as well.  
You were easy to forgive and love again as well, you were a delightful person.  
I remember the day Mother and Daddy brought you home from the hospital, what was a wonderful joy we all had, loving and playing with you.  
When our Daughter Dana was born you loved to babysit with her all time, you loved her always almost as much as I did, even up until the time of your passing, and Dana loved you that much as well. Dana Cherished you so very much.  
You were always so faithful to God you always sang in the choir, went to church, had fellowship with as many as you could, you were a good and faithful servant.  
You dearly loved your husband and your boys, you never wanted to go anywhere without them, and I know they loved you that much as well.  
You wanted to go and be with Mother and Daddy in Heaven, so God invited you to come on Memorial Day May27, 2019, I know you are still rejoicing.  
You will always be in my heart, I Love you so very much, It will be a Grand Reunion when we meet in Heaven.  
You Loved for me to call you my little Sister, so little Sister, I will meet you in Heaven someday Love you So Much Trisha
