“ Where do I begin. I met both Daddy n Momma as a young teenager. When I think of home, I think of my special Momma n Daddy who showed me love n kindness. Spending time with Mary, we'd help Momma in the kitchen, to helping Daddy, making sure Pappy was comfortable, plenty of wood in house, etc. The special memories I've got n will forever cherish as my 2nd set of parents. I loved both of them very much.

TS

“ I met Albert and Bonnie Darling 47 years old when I was a 15 year old kid and was dating their step-grandson Steve. I fell in love with them instantly! I loved going to their ranch house and just hanging out and visiting with them.

My last memory of Albert and Bonnie together was going into their living room and Bonnie laying on the sofa and Albert laying on the floor next to the sofa holding Bonnie's hand as she slept. My heart melted when I saw them.

Albert was one of the kindest persons I've ever known. He loved his family and those close to him.

I loved listening to his stories too. I was most amazed with how he kept going as his health deteriorated, he never gave up and always found a way to do things and keep active.

Albert will be missed by so many. Everyone loved Albert. I always considered both Albert and Bonnie as my grandparents and their children as family.

Albert, I love you and thank you for all the things I learned from you.
