“ I'm so glad we got close when we did i literally looked forward to seeing you at work just to joke around with or have a deep conversation in your office. The days seem a little dark without you. I still can't believe your gone. I know you look beautiful in your wings. Rest in peace

“ My memories with Ann, we're going on family beach trips and snow skiing trips when we were young. We were roommates and shared an apartment together. She will be deeply missed by all, such a pretty and kind soul. 🙏🙏🙏

“ Thank you so much for being a friend. Thank you for coming to my sons service when you were so sick that day. It meant so much to me. Thank you for listening to me and all the great advice you would give. Thank you for being so honest and caring when you didn't have to be. My heart goes out to your family. You loved talking about how proud you were of your kids. I will miss you always. Rest In Peace sweet angel. Give my so a big hug from me. See you when I get there.
