

Anthony Jeremiah Mendez

February 21, 1998 - September 17, 2023

Anthony Jeremiah Mendez was born on February 21, 1998 to mother Jovan Plaza and father Anthony Mendez. He was called to be with God on September 17, 2023. He was a compassionate, caring, respectful, God filled man. He was a father, son, brother, nephew, and cousin. Anthony left us with his treasure, Auzi Jay Daniel Mendez, who he was the best father too. There was never a day that went by that he would let Auzi go without. Anthony was the biggest family man you could've met. He was never satisfied until everyone around him was happy and loved. All he ever wanted was peace and family to be surrounding him. He would go to extra lengths to make everyone comfortable. Anthony was an angel sent from above and the work he was doing, and the souls he was touching was priceless and unexplainable. He lit up any room he walked in and he would change your whole world with a 2 minute conversation. He was the purest soul to walk the earth and that's why he was chosen to be with God. Our hearts are forever changed, but with the work he did when he was here only changed us for the better. May he rest in peace with the ones we've lost too soon. Long Live Anthony Jeremiah Mendez.
