“ *So many wonderful things I can say about my Nina, my aunt, my 2nd mother! She never met a stranger, always one to light up a room, so gracious, so beautiful, such a big heart, caring, loving, amazing wife to my Nino, amazing mother to my cousins, amazing grandmother and great grandmother, and an absolutely wonderful godmother to many, including myself! I consider myself luck and it's such an honor to have her as my godmother, and my uncle as my godfather! Gracias Nina por tu amor! Le mando un abrazo y por favor le dices a mi mamá que la quiero mucho! Siempre en mi corazón!!*

**Stick with the girl who loves you**  
Stick with the girl who has been down for you since day one. The one who understands you, your past, & present. The girl who cried herself to sleep whenever you did her wrong & still forgave you. The girl who has other guys attention but only wants your affection. The girl who accepts your ways and your life, who will ride for you & only you. The girl who has never failed to stay committed which means she's still here. Stick with the girl who loves you.

“ *Tia Bertha spent countless days and nights praying at my moms bedside and saying the rosary to her at night until the night she passed away and actually held her hand while she passed to comfort her as she left us to be in heaven with her parents. Thank you for that. Always in our hearts, forever in our minds.*
