“ So many beautiful memories of visiting Carol at her gracious and welcoming home. She is the Mother to my husband's best friend and she became my adopted mom as well. "Love and Laughter" come to mind when I think of Carol. She is missed. But I am blessed to have her in my heart and in my memories. Prayers for encouragement and comfort to Curt, DeAnna and Patti. Love each of you. Kim

*Walt or Koko as she called him, and I considered Carol part of our family and loved her so much. We will always remember all the wonderful times we spent visiting and traveling with she and Norman. Met them when the men were in the US Army in San Antonio TX in 1960. They were always so happy and positive that they showed us the way. There are no words to express how we will miss her. RIP dear friend with Norman and in God's loving hands.*

*I am so sorry to see that Carol has passed. I knew her for many years, even went to North High School with her. Her husband Norman was the best man when I married - - - they were an awesome couple. In 2004 Carol went to Italy with me and what a wonderful trip and experiences we had. She was so fun loving, an amazing person, the kind that inspires you. She was fortunate to have such loving family and friends. SHE WILL DEFINITELY BE MISSED. I look at this picture and just didn't age at all. Just beautiful. My heart goes out to her family and friends.*
