“ *Grandma Carolyn was the strongest woman I've ever known. No matter what life threw at her, she never backed down and never gave up. I'll always remember her for her generous heart, her strong belief in god, and her love and kindness. I'm going to miss you dearly grandma Carolyn.*

“ *Caroline you were my mother figure and I have always held a special place in my heart and will always do so. Although we were not around much, myself and my girls have always loved you, and to them you will always be Grandma Carolyn. Still can't believe you were taken so suddenly from this world. To Big Howard, Lucian, Little Howard, and Tommy I will be praying for comfort and healing for you.*
RIP Momma Carolyn we will miss you.
