“ *Betty, I am so very hurt for you. As much as this kicks so many of us in the heart, I can't imagine the pain of yours and Chris' dad...or the pain of his sister and nieces. Chris was part of the Meier family since he was in middle school! I saw him about two years ago in a store, and we stood and talked forever. He grew from being a "friend of Bill's" to a friend of mine, too. You raised a very good man.*

“ Craig, I am truly at a loss for words. In our short time of knowing one another you became a true friend of mine. I appreciate you always being a helping hand and lending your ear to me. I will never forget for all the times I said I was going on a diet and you show up with Coke Cola and M&Ms. Although I said I didn't want them you knew the truth. It is those little things that touch your heart. Craig you always knew how to make me smile and laugh. I can't express how much I am saddened and will miss you friend. Thank you for being you.

“ Chris, was my friend, my confidant, my saving grace. Sat hours with me in the er when my then husband couldn't be bothered... I will miss Chris, our awesome twisted conversations..... my heart breaks for your family, friends, and those who loved you more than you loved yourself... forever ever in our hearts

“ I have much sadness in my heart for the loss of Chris. It is almost not real . I will always remember babysitting his as a baby and his face was so round and chubby. I had a hard time lifting him out of his crib. He was a sweet little boy who called me aunt Zan. For some reason he just started calling me that and not aunt Ann. I'll always remember that sweet little boy.

“ *My deepest condolences for the loss of your brother. Craig was a former coworker of mine and I will never forget the many times we laughed while walking out of work. He was a sweet kind man that always talked about his nieces and the love he had for them. He will be greatly missed. My heart goes out to you, and may he rest in peace.*

“ *My deepest condolences to the family and friends. Chris and I worked together for several years, he always was very laid back and smiling. He would bring in his Diet Pepsi and some weird lunches, anchovy pizza, squid in a can. He was a very kind hearted person, He always had an eat for a friend. I will miss him*

Chris was a good friend to my daughters and son in law Chris and Tracy Bell. I remember he bought the biggest Winnie the Pooh when my granddaughter was born. My late husband had a seizure at home and he and my daughter were at my home in a moment's notice. He was kind and funny with a great big heart, He will be missed by all that knew and loved him. He is now at peace.
