“ *What a lady,,all that I knew of you before and personally was already thought to be incredible and now that I read all the wonderful things people have to say about you I find myself even more astonished at just how truly amazing of a woman you are and the honorable life you lived....I feel so blessed to have got to know you I only wish for more time...you were an angel in my eyes long before you left earth. 💜*

“ *My heart goes out to the loved ones of this beautiful lady. I'm so blessed to have been able to know her and be around her years ago. Such a warm and happy soul. Kevin and Karen, how blessed you were to have such an awesome mother. You will always have her with you...you and the grandkids are her legacy. ❤️*

“ *I was lucky enough to have worked with Claudia in the SICU (surgical intensive care unit) at KMC for many years. Claudia was everywhere and helped everyone with every patient care related task and kept our spirits high with humor while motivating and setting the bar high with hard work by example. She was an “old school” nurse with bed side values and a manner that I could only dream of having. Rest easy my friend and we have the lamp from here 🙏❤️*

*Claudia and I worked together in SICU at Kern Medical Center. She was always willing to lend a helping hand, share a laugh, comfort the family of our very very ill patients. Put your feet up Claudia! It's your turn to rest. Carol Clark*
