“ You may not remember me but I remember your mother as a very kind and loving person. I want to say I'm sorry for your loss and I know you will all miss her but think of all the great memories that she left you with. May she rest in peace.

“ Tia you will be greatly missed. Heaven has gained a new angel, I can not even imagine the Glory that is surrounding you right now. You may not be with us here on earth, although I know you are with us in spirit. Your children and grandchildren will carry a piece of your heart forever more.
Every sunrise will be your morning greeting to your children and grandchildren.
