“ *Cutona, you were an amazing sister in law to me and I love you for always being there for me when I needed to talk. Most of all you were a great auntie to my daughter Aaliyah. I send prayers to Aiyanna everyday that you will always watch over her. You are truly going to be missed and I thank you for having me as your sister in law. My prayers go out to Lisa, Daryl, Sammy and the Humdy's family. Cutona you will be forever in my memories we had some really good times together and I will forever cherish that moment and am blessed that I had the opportunity to be apart of your family thank you for that.*

*Love,  
Tyree*
