

# Daniel Joseph Burns

April 9, 1950 - December 29, 2023

No obituary found for this tribute.

# Tribute Wall

“ Daniel built a beautiful redwood deck on the front of our house in 2010, 14 years ago, and it's still in wonderful condition! He was a master carpenter and a perfectionist! He brought me a plate of Thanksgiving dinner in 2021 when I was stuck at home with the flu. I appreciated these things about him. I hope he is at peace.
