

Daniel James Cook

April 30, 1980 - January 28, 2016

. Daniel James Cook entered into eternal rest on January 28, 2016.

Dan was born and raised in Bakersfield, California. He had a great love for the outdoors. Some of his best memories were of Pyles Boy's Camp where he worked as a camp counselor. He was an avid mountain bike rider and enjoyed fishing, camping and was a great cook in the kitchen. Dan also had a great appreciation for art, music and literature. He had one of the most beautiful and gentle souls one could ever know. He will forever be in our hearts and will be missed by all who were lucky enough to be a part of his short life. He is survived by his spouse Camille; two beautiful and precious children, Matthew and Reilly; mother Erin Rowles, father Steve Cook, and siblings David, Dylan and Katie Rose.

The family would like to sincerely thank everyone for their thoughts, prayers, love and support.

A private memorial will be held in Morro Bay, CA. on February 20, 2016

“ Erin, Steve, David and family,
We were saddened by the news of Daniel's passing. We have such fond memories of Daniel and Luke playing Ninjas in our backyard. Luke named his first son Daniel James after his childhood friend. Daniel is now a senior in high school. Our thoughts and prayers are with you during this difficult time of grief.
