“*Darrell was a big part of my childhood. Many memories of asking for his advice. He was a man of knowledge, and patience, and caring. Someone you could always count on. He was a gentle soul, and will always be missed and cherished! God bless*

“*I remember when we were on Okinawa growing up, dad sent us to church. We didn't go instead we went to the store and bought fireworks....  
I remember when he had the Shelby Cobra, spinning donuts in a vacant parking lot, scaring me till I wet myself....  
He took me to school all the time, My friends were always checking him out....  
I'm sorry I couldn't say good bye.....  
Luv Y Darrell*
