“ David and I were lifelong friends and he served as best man at our wedding. I'm going to miss you Dave and the stories you would tell about us growing up. We hunted and fished together and I will remember those times fondly. We send our love to your mom, Roberta and the girls. Rest in peace my friend. Craig Shugart & Family

“ David was a lifelong friend. We shared a lot of good times over the years. Shooting BB guns, riding dirt bikes, hunting & fishing together. I learned how to hunt with David and his dad Bill. Went on many duck hunting trips with David. David was the best shoot of course - he always got more birds than me. I think he had a God given talent as a marksman. Also shared a lot of fishing trips together with David from stream fishing to ocean fishing. I am going to miss David's fantastic memory. He would always remind me of things I had long forgotten. I am going to miss you buddy. RIP Andy Kitsch

“ *I deer hunted for many years with David. I couldn't tell you how many he got but helped him drag many out. I could remember that part because I used to tease him about it because I never got any hunting with him all those years. It was a lot of fun anyway! You'll be missed. Rodney Amos.*
