Dorothy Mae Ginn

January 24, 1930 - January 3, 2023

Our beautiful mother, grandmother, and great grandmother went to be with our Lord and Savior, Jesus Christ at the age of 92, on January 3, 2023. She was born January 24, 1930 to Eddie and Lona Mae Crosslin in Lawton, Oklahoma. The family moved to Bakersfield, California in the forties. Dorothy graduated from Kern County Union High School in 1948. She married Leo Ginn in 1949 and together they had four children, Michael (1950), Patricia (1952), Phillip (1955), and Timothy (1969) during a marriage that lasted 62 years until Leo's death in 2011. Our mother was a telephone operator for Pac Bell in the early years of marriage and then devoted her life to raising her four children.

She is reunited with our father Leo, our brother Michael, and our grandparents Nana and Papa. She leaves behind a daughter, Patricia Young (Andrew), sons, Phillip Ginn (Jessica), and Tim Ginn; grandchildren, Joslyn Penrose, Christopher Young (Carrie), Kathryn Downs, Kira Soldani-Meares (Anthony), Nicholas Soldani, Phillip Ginn (Krista), Mariah Ginn, Nate Ginn, and Nalani Ginn along with six great grandchildren, Olive, Nixon, McCoy, Sophia, Vincent, and Royce.

No words can express the depth of the loss of this strong, sensitive, and

caring soul who we were privileged to call “Mom”. Forever she will be in our hearts but we are so very grateful for the lessons she taught us. Mom was a dedicated and loyal wife as well as a wonderful mother, grandmother, great grandmother, and sister-in-law who always sacrificed herself for others. She is now with our beloved Lord and Savior. We look so forward to the day when we will all be reunited - love you forever.

With sincere appreciation, we wish to thank our extended family and many friends for their expressions of kindness during our bereavement for our beloved mother. May God bless each of you.

The family asks that in lieu of flowers donations in Dorothy’s memory be given to the American Heart Association.

As per her wishes a private service will be held in her remembrance.

“ Things I remember about my dear Sister In-Love Dorothy. She was so enjoyable to be around, and she and Leo was always supportive and a big encouragement to me and my family. From our Housewarming, Birthday gifts for the children when they were younger, to my kids weddings. Early years when I would go to Bakersfield to visit she and my brother Leo at their home, she knew I liked Lemon Coconut Cakes, for which she would buy from Smiths Bakery. I remember when I was in the 10th grade, going to Bakersfield High, they bought me my very 1st brand new long over coat. There are so many wonderful memories I can write about with Dorothy, but most of all I really loved talking with her. I will miss and cherish our wonderful conversations and will miss her. With love always, Lynn.
