“ I will always have many happy memories of Eileen as a child when our family was together we had great fun. As we got older the family picnics were always a good time and I really enjoyed the one on one visits we would have especially about her life in the military and the life that Walt and Eileen shared in the early days. I will miss her and her happy attitude about life. I send my love and prayers for our family, Johnny Easley

May the joy of knowing she is more joyful than she ever was on earth comfort you all!

I'm so looking forward to seeing her great smile and wonderful sense of humor when I go home, too!

Eileen was a beautiful person inside and out. I never heard a complaint about any one or thing from her in all the years that she has been in our family, no wonder my brother fell in love with her. I still have an apron that she sent me from England 70 some years ago, will always treaure it. A shining stat in our family. we will miss her happy smile and loving heart. Howard & Dorothy Setser
