“ *Gene and family,  
Laurie and I are wishing you a smooth transition after Elaine's passing. She was a stalwart in the educational community and gave tirelessly to local theater. She always made us feel so good about our performances through the years. Forty some years from South to Stars I considered her a true blue friend. I'll never forget You two in my favorite production of Dearly Departed. She always made us smile, a truly delightful lady.  
With love and fond memories,  
Mark and Laurie Price*
