“ Hi Everyone,

*I just wanted to reach out and thank you all for your prayers and kind words. My siblings and I never thought we'd encounter these obstacles caused by the pandemic. We are all living in different states so we can't have an in person gathering. Also, with the numbers spiking in Bakersfield, CA and with the churches closing, it's even more challenging. My family and I wanted to host a safe virtual gathering to honor my mom (blessing of her ashes, our video tributes, chance to speak with my family, and video montage) next Saturday, August 8 at 8:00pm CT. To join in for the video tribute, please make sure to download the app Zoom beforehand. Feel free to share the link to the video tribute.*

*Is this the same lady known as Fina Artacho?  
If so I am so sorry to hear this news. She was our neighbor in the Spanaway area. We loved this lady.*
