

## Gordon Gale Robison

November 2, 1935 - January 6, 2024

Gordon “Gordy” Robison passed away in the early hours of Saturday, January 6th, peacefully at home in Bakersfield, California at the age of 88 surrounded by family and loved ones.

Gordon is survived by his wife of 53 years, Lillian Robison; his children: Mitch Robison, Kathy

Foss, and Scott Robison; his stepchildren: Sandy Noland and Ronald Shepp; and many

grandchildren and great-grandchildren across the United States and England.

Gordon was born on November 2nd, 1935 in San Ynez, California to Violet Knight Robison and

Clare Robison. Gordon did not yet finish high school before meeting the first love of his life, Pat,

and marrying in 1953. Shortly after their marriage and over the next several years they

welcomed three children into their home. Gordon and Pat moved to Santa Maria where Gordon

was enlisted in the United States Air Force in 1956 as an Air Police Officer.

Gordon then worked

for Santa Maria Police Department until he became an officer for California Highway Patrol in

1966 and finished his professional career as a Special Investigator for

California ABC. He retired in Bakersfield, California with the second love of his life, Lillian, whom he married in 1970.

Gordon's children and grandchildren remember him as being the most generous and gentle

father and grandfather, unless they were playing a rousing game of 13.

Gordon was passionate about many things in life but is perhaps most remembered for his love

of golfing, gardening, fishing, and long summer days spent on the central coast of California.

Due to many challenging years of navigating his wife Lillian's struggle with Alzheimers, Gordon

was passionate about supporting ongoing research for the disease. In lieu of flowers, the family

asks for donations to be sent to the Alzheimer's Association.
