“ Even though I had the pleasure of only knowing Helen for a few short years, she became very near and dear to me. I enjoyed keeping house for her and running errands. She was such a joy to be around. I'll miss our online "ie Phone" bowling matches and running errands for her. I'll always think of her each time I see "Angel Food Slices" in the store. Her favorite desert of course topped with "Cool Whip Lite". The loss of a mother is never easy so please know she loved you Ron, Theresa and Frank with all her heart. She looked forward to your daily calls. Thank you for sharing her with me.

Helen was my Mother's cousin (Rose Virzi Maxey) and my brother's Godmother. Every year we exchanged Christmas cards. I knew Helen all my life. Her Mother and my grandmother (Anna Virzi) stayed with us when I had our second child. They were married to brothers, and would tell stories of when they were young couples. Wonderful memories. RIP, Helen.

“ Dear Frank, Ron, Anthony, Amie, and your Family,
That's a great photo of your Mom. She never changed, she always looked like that in my mind. She checked on my Mom several times and asked me to give her updates on how she was doing. I'll miss being able to call her for our brief talks. Moms are very special and it's hard to see them go, and I'm sure you'll miss her. Can't help but think that your Dad was thrilled to hug her again!! Your Dad was a good man. To this day whenever I think of United Airlines, I think of Donald Genovese. As a kid, I always thought it was so cool that he worked around airplanes at LAX. The bottom line, they were both wonderful people and I'm glad that I was able to know them. You all take care and I hope the good memories help you during this difficult time as you lay her to rest.
Love, Richard, and Family
