“ You will be missed by April and I and your grandkids. The kids are doing ok, although when we mention you, Bubba gets very sad and doesn't want to talk about it. He's missing you very much, as are Rissa and Cara.

You were so close to being able to be happy again. Your divorce judgement was entered the day before you passed. You had one day of freedom, but you didn't know. :(

I believe your life was on the edge of getting so much better and I feel bad that you didn't get a chance to experience it without the toxicity she brought to you. You were so close to happiness, but at least now you have everlasting peace.

We love you and miss you. Trust that we will not forget you, nor will we let the kids forget you.
