“ I only met Jaiyden once in my life but when I saw her for the first time she was always so happy and full of life she was so funny it's hard to believe she's gone and I'm crying about it because I never knew until a couple of months ago. #supportjaiydenEstrada

“ Jaidyn was my best friend and will always be. Ever since I joined a soccer team, Jaidyn and I were best friends from the beginning. Since I was the goalie of the team, sometimes I would run up so far but then she would run back and block the ball if it happened. It is like she knew what to do, and she did. Leah, Jaidyn's mom, was so supportive of Jaidyn during games and it made me happy. We had a nickname, "Kenzie and Bo." She hated that nickname but Leah, my mom, and I would call her and I that. There is not one day I don't think of her because she's part of me now. #rememberJaidyn #11Forever

“ Jaidyn was in my class in 6th grade. When she walked into the room her smile lit up the place. She was very friendly, funny, and artistic. Her writing and art always blew me and her classmates away. She was so gifted! Her laugh was infectious and I was blessed to share quite a few laughs with her. Jaidyn's unique persona will truly be missed. May God bless and comfort those she left behind and may she rejoice in heaven with our Lord and savior. 1Peter 5:7 My sincerest condolences, Mrs. Amanda Gonzales

“ *My sweet little friend Jaidyn. I met Jaidyn at Cato Middle School where I am the Custodian. Her and my daughter Jaidyn spelled there names the exact same way and we both got a kick out of that. I would call her Jaidyn the first since she is a lot older than my daughter. Jaidyn was a very sweet girl. She would always greet me with a smile. I will miss this sweet young lady. Praying for her family during this difficult time.*

*Sincerely,  
Ms. Monica  
Cato Middle School*
