“ *Dad, it's your little girl. I am going to miss the looong talks we have had. Now I will just look up to HEAVEN and know you are there with mom. I LOVE YOU SOO MUCH*

“ *Grandpa when you passed you took a piece of me with you. The time I got to spend with you in the hospital and board and care are memories I will never forget. They will be up there with my memories of Kings Table, fruit picking, thanksgivings, the water park, ice cream and all the times we spent together growing up. Those are just a few of my memories. I love you and miss you so much. I'm glad you're resting easy now. I love you.*

“ Grandpa...I will miss you with all of my heart. The day you passed I was truly heartbroken. This world will never be the same. I know you're resting easy. Say hi to Grandma for me.

I love you.

Our deepest sympathies to Mary and family. Jim had suffered severe PTSD, but one would never know it. He was the kindest person we have ever met. God Bless his family, and give them comfort in the knowledge that all suffering is gone. Jim will be missed.
