What will I do without Jims great jokes !!! I met Jim when he was dating my best friend Sandy and was at their wedding March 4, 1972 and I thought they were just the perfect couple... So cute and in love. Throughout all these years I've kept in touch and recently moved to Bakersfield and loved spending more time with the Wilson family that I've loved all these years. I miss Jim already... So rest in peace my friend and till we meet again, I love you ❤️
