

Jeanie Noreen Barman

May 13, 1964 - January 29, 2022

Jeanie was a wonderful mother, grandma, wife, and person. She has supplied us with more smiles than we can count and we are blessed to have gotten the little time we did with her. She has a great story a little too long to fit in this card so, we will just have to mention the important stuff.

Jeanie was born May 13th 1964 to Ethel and Clarence Mitchell in Bakersfield CA. She was raised in the Rosedale and Oildale area where she attended some of the local schools. After school, She worked as a checkout clerk. She worked there until meeting the love of her life, Tim Barman in the year 1985. That is when they started the journey of their life together. She was now a homemaker and the mother of 2 children that were her pride and joy. They may not have agreed on everything but, her love for her children ran deep. Later in life when her Grandchildren were born that was absolutely the apple of her eyes. She ABSOLUTELY loved being a grandma. She would constantly spending time with her grandkids and would spoil them with love and affection.

Jeanie was a special person and her interests were all over the place. Her most favorite thing to do was spend time with her husband and enjoy the little things. They would travel together and have gone on a cruise to Hawaii and drove halfway across the country to Missouri. She traveled far and wide and loved concerts, George Strait was her man, and the second was Garth

Brooks. She loved gambling, even if it wasn't for money. She just loved the games. She had phases; she would either go on a lottery ticket binge or she would sit down for hours playing phone slot games. When she got the chance she would even go to Lemoore and play the real machines. When she was back home from her adventures better believe that she had her dog coco and snuggles by her side. She loved all her dogs and her family and is survived by: her husband Tim Barman, daughter Brandi Tilmon, son Derek Barman, grandson Dallas Hensley, granddaughters Miranda Hensley, December Hensley, grandsons Everest Tanner, Jackson Tanner, and granddaughter Isabelle Barman, sister Vonda Bennett, brother Gary Patterson and his wife Angel.

Many cousins nephews and nieces and many special friends. Proceeded in death by her parents Ethel and Clarence Mitchell

Many aunts and uncles grandparents.

“*Jeanie was a wonderful grandma to my daughter Isabelle and a great friend to me the last 11+ years. She was always there when I needed her and never stopped reminding me how much she believed in me. There was a time when her and I were inseparable, She would always make sure I felt loved and pretty while I was trying to navigate being a young mom. She gave me great advice and taught me not to take everything so serious. We spent many holidays together went on tons of vacations, and shopping sprees but my favorite memories with Jeanie are just sitting on the couch and talking or going for drives (even tho she hated my driving lol) and singing together - she loved to sing. I know she's up there now with her sunglasses on singing away. She will be so greatly missed by everyone every single day until we meet again. ❤️*

“ *I will always remember Jeanie laughing and smiling cracking a joke here and there bringing laughter wherever she was. Jeanie was always a what you see is what you get kind of person. I loved that about her. Her and Tim were very blessed. The love they shared for one another was beautiful. I know she will be deeply missed.*
