“ *Jessica was one of the sweetest people I've every met. She loved her friends and family with everyone in her. And she loved being with them. Her husband and her kids were her life.. I couldn't believe it.. still can't. She became someone called my friend so easily, and j enjoyed every time I saw her. We made each other laugh and she lit up the room no matter how small or big it was with her smile.*

*She will forever be missed by all of us that knew her.. rest in peace sweet friend.*

“ *My beautiful sister. I miss you so much. You were the best big sister a sister could ask for. You were always looking out for me even when we were not getting along. I am so thankful and blessed for the time I got with you. I never thought it wouldnt be enough time. Our lives will never be the same.*
