“ My Handsome Daddy, you loved me unconditionally, brought smiles to my heart. Taught me about oldies music, danced with me, we camped and went fishing. My children love and always looked up to you. Thank you so much for giving us a wonderful life. Rest Daddy 💕 I love you always. We will keep your legacy alive forever generation to generation.

“ I love you so much Tata, I will miss you a lot but, I know you will be here with me and watching over me. I'm so grateful for everything you've done for me, you taught me how to fish, how to use a receiver, and most importantly, you taught me how to be a man. Thank you for everything, I will miss you so much. I love you ❤️
