“ Lil D to BiD met you when you was just a boy full of love and smiles .. Thank you D For Always looking out for the boys when they was little . You always kept an eye out for them for me and made sure they stayed out of harms way . I always made it a point to tell you how thankful I was that you took the time to look out for my boys .. You always was glad to help in any way with all the kids .. I am very Thankful for the great love you showed me and mike and the boys and the great love you had for my grandbabies ..
