“ John was a long-time pal in Lockwood Valley (Seymour Cyn) and Maricopa CA. We shared many friends (Sue) and others (Joe Bell) on our mountain . . . with land, homes, cars, bikes and trucks. My condolences to his family and especially Suzy who cared for him so dearly in his final struggles. He was a US Army paratrooper I believe with the famous 101st Airborne. I shall miss him and his friendship as we had many interests in common . . . a special friend and good neighbor. Adios, John.
