“ *Rest in Peace, Kathy!*

Kathy was an intrepid knitter; known to knit garments with 30 pages of instructions. Whew! She also enjoyed coordinating her outfits with slacks she sewed, sweaters she knitted, jewelry she designed. And, how she loved buttons.

She also regaled us with stories of her many trips aboard.

Kathy's joie de vivre will be sorely missed.

“ *John 14: 2,3 My Fathers house has many rooms; if that were not so , would I have told you that I'm going there to prepare a place for you ? And if I go prepare a place for you, I will come back and take you to be with me. And you also may be where I am going.*

*Kathy . Thank You for your generosity and kindness you showed me and giving me the privilege to live at Chester Ln.
 You will be missed. I always admired your talent. The dresses you made for our girls. The knitting. Rest in peace my friend. I'll see you again.*

“ *Kathie was a wonderful knitter. She outshone many in our guild. We always saw her in one of her many gorgeous hand knit sweaters. She was a regular participant in our social knitting Tuesdays. We will miss her.*

“Mother... I'm still in shock that you have left us 💔 I know that you are with Grammy and grandpa now and are in no more pain. Only those left on earth feel the sadness and losing you my sadness will never be gone. I love you so much ❤️ And will miss you dearly. Until we meet again. Xoxo
