“ If you only knew how the people you thought you could trust ..were the wolves wearing sheep's clothing..waiting to steal what ever they could..like vultures ....they say people show their true colors when someone dies taking what ever they can ..feeling entitled somehow....it's is sad but true....you were right about them...if you only knew..

“ My Papa and I had a special bond. I am the 1st grandchild and the  
only girl, when I was young I spent majority of my time with him. We  
loved to go to “coffee” which meant the adults sat around for hours  
drinking coffee and talking while I ordered everything on the menu  
and ate til I was sick. Lol.. He took us on vacations to the beach,  
camping, riding atv’s, taught me how to check my oil, change a tire,  
and so much more about cars. I have so many great memories of  
him far too much to post here. But he was a special man with a  
huge heart who I am missing dearly. As most people do, I’m  
regretful if not doing all the things I dreamt of doing with him and  
now the time is gone. But I know he loved me and I know he knew I  
loved him so very much, that’s what matters. I love you Papa,  
always and forever you are with me everyday.

“ Johnny my father ..was the best father I could have ever asked for ..he worked hard all of his life ...so that. My sister "Terry and myself " could have everything that we needed ..being that our Mother passed away when my sister and I were very young he was a single parent..

My daddy never passed up a women that was broken down on the side of the road. sometimes he 'd even fix their car for free

He helped many people...

He owned

"JOHNS RAIDIATOR AND TRANSMISSION. "

AT 3539 EDISON HWY ..

BAKERSFIELD.CALIFORNIA.

He had a lot of friends..

among them, were his Close friends.-

Bobby Carson

And James Vernon both of Bakersfield..

It's hard to say good bye to my daddy.

He was all I've ever had.. We will miss him for the rest of our natural lives....

How do you let go of ALL youve ever had?

So I will say until we meet AGAIN daddy...

I will see you AGAIN someday!

And I will take you everywhere with me...in my heart...

In my sweet memories of you..

I love you daddy..and will miss you everyday..

If I tried to tell everything that my Uncle Johnny did for me in my life growing up. We would have a Novel. He was a great man and I loved him with all my heart.
