“ Kara was one of the very few people that understood me and I understood her. She was an amazing, talented, funny, adventurous friend. I miss her so much♥ Where ever she is, I know she is making bows and drinking Diet Coke! I love that lady soooo much!

“ I worked with Kara for many years at DHS and we became friends. We had a crazy fun group. We would laugh and joke around when we went to happy hour together. Kara was the kind of person that would love to have fun and throw big parties. She went all out for her kids, their birthdays, Christmas', and all holidays. She would be the one in the Santa suit, or Easter bunny costume. Kara had a big heart and would do anything or give anyone anything if they asked. I will miss her smile, sense of humor and big heart. Party it up in Heaven Kara!

*I am at a loss for words hearing that Kara is physically no longer with us. She was such a loving and caring lady. We worked together in the same unit at DHS. I will always remember her crazy funny antics including the cow shaped cake she made for my birthday. She new I collected cows and when I arrived to work that morning, my whole cubicle was full of cows. She will truly be missed. My prayers will go up for the family. She was loved by many. Rest in Heaven my sweet friend.*

“ My dearest friend Kara, you will be forever missed. Words cannot express my sadness. Your giving spirt was always over the top, you knew how to make people smile and make them feel so special. You were filled with love for all and had a wonderful sense of humor. Thank you for allowing me to be part of your life and share in your joys and suffering. The last time we saw each other your face lite up when talking about your experience in heaven, I know you are now out of pain and with your earthly father and Heavenly Father. Until we meet again my friend who became like a sister. Love you forever. Laura
