“ You’re forever missed Kevin❤️

Nicole Nicklaus - September 01, 2022 at 07:46 PM

“ Oh Kevin... I tried to find you this summer. I looked up & down for days. I wish I could’ve talked to you one last time... You were always at our house growing up. You were a kind soul. I wish you would’ve went to the marines like you always talked about. Rest easy kid.

I am just finding out and I am so sorry for your loss. Kevin was like a 2nd kid to us when he was in high school.
