March 29, 1933 - April 23, 2017

### Leona Belle Foth

Leona went to heaven on April 23rd, 2017, with the love of her life at her side. Her and Jeral spent 64 years together making memories and always had a funny story to tell about their adventures. She was always ahead of the game taking care of her family and was the first to extend a helpful hand to all who knew her.

Leona was born in 1933 in Hartshorne, Oklahoma to Marion & Beatrice Ezell who proceeded her to heaven along with her three sisters Thelma, Imogene, and Maye, and infant son Mitchell. She worked as a telephone operator for many years and did bookkeeping for various businesses. She enjoyed gardening, crochet, bingo, and bunco. She thought of her closet friends as her sisters and made sure they knew she loved them. But, she always made our family her priority and let them know how deeply we were loved and be the first to set us straight.

She leaves her loving husband Jeral Foth and daughters Ruth Ann (Jay) Aldridge and Susan Heuston, 11 grandchildren, 10 great grandchildren, and numerous nieces and nephews who will deeply miss her. She is now our Guardian Angel in the Garden of Heaven.

Our family would like to thank all of the staff with Optimal Hospice for the loving care they provided. Mom always had a smile and hug for each of them.
