“ Our deepest condolences to Marian and family. We miss our RV buddies so so much! I've tried to get in touch by phone over the past several years but no luck. Not sure just when or how we lost touch but have been sad to not be able to reach you.
We met at Kennisee Lake TT in Ohio; met up all over the US over the years; spent time together at Bend TT where Keith taught Brad and Jen how to play pickleball; Marian and I (Robin) line danced (and clogged!) together. We always had the mostest fun whenever and wherever we were all together.
I miss you, I miss you, I miss you my dear dear friend.
Love and Hugs, Robin
