“ We were together 18 years and there was no better man than Louie. I only wish we had reconnected. Thought of him often over the last 9 years. Will always remember his gentle, loving soul. So sorry for such a huge loss to all who loved him. Barbara shumaker lewis

“ I was very blessed to have been able to build a close and great friendship with Louie for 54 years. He was family to my children, my wife, my mom, dad and sister. Louie was the brother I never had and my best friend. So many great memories. I will never be the same in this life, with this loss. See you soon Louie.....

I saw his house was sold and then found the obituary. A shock and heartbreaking. I just wrote him a note to mail to apologize for how it ended. And decided to look him up on Google Can u tell me what happened? Barbara shumaker lewis

“ *Years ago, on many occasions , Louie and I would travel to the surrounding mountain region above Lake Isabella to enjoy a weekend at my Greenhorn cabin. I will always remember and never forget, that he made reference every time to the beauty of the mountain and wooded trees. In his own words , he would say - Tom - “This is God’s Country”. Well Louie,  
Now you are truly living in “God’s Country” Enjoy your heavenly home. I love you my friend. We will meet again some day.
