“ *Teresa, I don't think I had ever met your mother, maybe at your wedding though. I do, however, know that she raises a beautiful and kind daughter that cared for my children and has always held a place in our hearts.*

Losing our moms is one of the hardest things we will ever go through, seems they should be with us. Keep the memories you have of her close within your heart and she'll never be far.

I'm sure she will be at the gate of Heaven, arms wide open, to welcome you home someday.

*Love and prayers for you and your family,
Margo Bjork and family*

I love aunt Lily and we'll miss her a lot. She was loving, a good listener, compassionate and helpful whenever she was asked. I know she is in a better place now and at peace without pain. She still and always will have a special place in my heart.
