“ There were 5 of us in High School that hung out together Marcie, Anne Deming, Susie Wickersham, Judy Harvey and myself Julie Rogers we were good friends One summer we took my car and loaded a trailer behind it with sleeping bags, tent, and all things for camping. We stayed at Bliss State Park on the shores of Lake Tahoe. Anne recently sent me pictures of that trip We were young and the joy of life was written all over our young faces. One afternoon we were returning to camp when a chipmunk ran out in front of our car. Marcie screamed so loud I swear the chipmunk froze in its tracks and we managed to not run over him Even back then she was advocating for the wildlife. She was a loyal friend. Kindhearted to all. A fun loving spirit. I will always cherish our High School friendship and the sweet memories of those long ago youthful days. My condolences to her family.

“ She inspired everything that is good within my being, and everything that I have ever been proud of.. "It's a beautiful day" every day because "the birdies are singing." She was beautiful, and she lived a beautiful life. She will always live inside of me and you.

“ *Do not stand at my grave and weep  
I am not there. I do not sleep.  
I am a thousand winds that blow.  
I am the diamond glints on snow.  
I am the sunlight on ripened grain.  
I am the gentle autumn rain.  
When you awaken in the morning's hush  
I am the swift uplifting rush  
Of quiet birds in circled flight.  
I am the soft stars that shine at night.  
Do not stand at my grave and cry;  
I am not there. I did not die.*
