“ *As a child I remember the farm Aunt Leona lived on. It was always an adventure going to visit. My first taste of fresh cows milk & cream, wonderful homemade cookies and swimming in a pond. Through out the years and passing of loved ones she always keep in touch by visiting me in Missouri and calling. She was good in making me feel special. My heart aches that I didn't get to get back in touch before she joined our loved ones. Love you Aunt Leona*

“ *Mary was my Aunt Leona. Her and Richard used to often come through Oklahoma in the fall with their RV driving cross country. At least once, but maybe twice, she stopped on my birthday which is in October, and brought me a huge birthday cake. Those were the happiest birthdays I ever had. I really loved her! And she always remembered me as a child and then we reconnected when I became an adult and she remembered my children's birthdays too! She had a lot of love to give.*

*Casey, I am sorry to hear of your loss. I have an item that belonged to Richard that was found, and I'd like to send it to one of the family members. Is there a person I could talk to or an address I could send this too. - brandongrubbs@wccin.org*
