“ Matthew 25:23 “Well done, good and faithful servant”  
This scripture exemplifies Matt. He served the Lord, served his country, was a faithful husband and father and a good friend to many!  
He always met me with a hug and kind words. I love him and hold on to God’s promise that I will see him, again someday.

*In loving memory always,  
Linda, his sister-in-law*
