“ *Nelda Faye was a beautiful soul she loved to laugh & be with people who saw her worth She was so very talented & used her skills to sooth her soul you just had to appreciate her spirit. I will forever miss our talks & just bathing in your kindness . We worked as hairdressers in Nelda’s salon known as Adam & Eve Salon as soon as we completed our stint at Fred & Chucks Beauty College . What a wonderful time to experience our young years. Love & miss you Nelda Faye I am certain I’ll see that beautiful smile as you hold my place at our eternal home. Thank you Father for putting us together.*
