

## Orby Jack Smith

June 10, 1943 - March 13, 2023

It is with sadness that I tell you that Orby Jack Smith passed away at his home on Monday evening, 13 March 2023. Born in Paducah, Kentucky his family moved to Panama City, Florida when he was fifteen. It was while living there he married Patricia with whom he had his two children, Shanon and Gavin.

Jack began his electrical work... first his father and then in the local union. He worked at the Lansing Smith Steam Plant before he began working construction, travelling and working in several states. Jack came to Bakersfield, California with his family in 1982. He worked locally with a number of companies and became a member of the local IBEW. He was an IBEW member for fifty-five plus years.

Jack loved God; he loved his family; he loved his country. In all he did he gave his all believing that is how he should live. He was a loving husband, a loving father, and a loving grandpa.

We will hold his memory close... and thank God for the blessing he was. A family graveside service will be held Monday, 3 April 2023, at Hillcrest cemetery.

The family requests no flowers be sent.
