“ *The first time I met Mom Malich when Doug and I went there on our honeymoon it was extremely hot. We hadn't packed for that weather so I had some pj's that was a top and shorts. We went to the Sizzler and when we were about to leave she said to me "did you see everyone staring at you because you were in your pj's". At first I looked and she was laughing. She loved to laugh. I will always remember all of our talks and her advice when I needed it. Her son is the best thing that ever happened to me.*

“ Have missed you for so many years now because of the distance but I know without a doubt where you are and will see you again. One of my favorite memories is how you took a bunch of us to the drive in to watch Chainsaw Massacre, scared me to death!!! What fun you have always been. You had the best laugh, and you loved unconditionally. See you soon. I love you.
