“ Yes, I love Paul as a special brother in Christ. A good man who def had his own way of thinking, very full of Gods love & whiz & vinegar, as they used to say. We will see U again, Paul, so glad we got to know U, from the Patterson fmly !

Paul was truly a godly man. He loved and worshipped the Lord. I was introduced to Paul shortly after his wife passed away. A friendship was built almost immediately. I did quite a bit of work for him around his home. Before I left Bakersfield for New York he would call me to go grocery shopping for him. On Thursday's we would dine at his favorite restaurant at the old Noriega Hotel on Sumner Street. It seems like everyone in there knew him. He invited me to the men's breakfast at Grace Community Church directed by brother Eddie Gonzales. We both shared a passion for vintage vehicles. When I told him I was shopping for a pickup truck he directed me to the F150 that I currently own. We shared countless hours on his front porch with his dog. He will certainly be missed. May his soul RIP 🙏. Your friend, Ray Martinez 😊.

“ You were always there for me, you were like a second father to me. I know you aren't hurting anymore and in a better place, which makes me feel happy. I just wish I had spent more time with you. I LOVE YOU so much and am going to miss coming over to see you plus the fur babies. That stupid O2 filter, lol! Thank you for always being there for me.
