“ So blessed to have Pete as a friend for over 35 years. Many, many memories, some really good ones, some sad times as well. We were planning to make more memories with Pete and Kathy this coming summer and sad that it will not happen so will have to rely on what was already built. Rest in Peace, Pete. We love you.

“ I remember fondly of working side by side with Pete with our boots on the ground to keep our head in the Safety Game, he is an inspiration to me and it is a true blessing that I was put in his path to meet his beautiful wife and share meals with them just talking away the evening together. I will be forever thankful for his kind and warm heart! Rest Now My Brother and Sister.....

Cousin Peter, Eventhough I didn't know you well and only seen you a time or two I had gotten to know you thru FB and thru my parents (my dad and Peters's dads are brothers)when I was younger. I'm sorry we never got to meet as adults. I know we would have enjoyed each other's company I know I would have loved your wife Kathy because we had some of the same hobbies, especially quilting. May the Lord wrap His loving arms around your family and hold them tight. Thinking about you and your family Carrie. May God bless you Cousin Brenda Adams Patterson

“ I remember spending the whole day rebuilding the stairs on Chester lane with Pete. He went to use the bathroom, so I took the opportunity to run to Pizzaville to surprise him with pizza for lunch. Pete was always grateful and a pleasure to be around. Such a gentleman. He will be missed. RIP Pete
