“ *When I was a little girl, Mr. Mish had a funeral home in Wasco. he served many of my family members. My thoughts and prayers are with his family and friends. Rest In Peace Mr. Mish.*

“ *Ray Mish was a friend and mentor for many years when I first started as a young person in the funeral industry, many years ago. He was, in my opinion, an institution in our industry and his words of wisdom, sage advice and wit will be missed. He helped me several times over the years of my career when I asked, and I will always be grateful. Matter of fact, I'm sure there are others in the funeral business that he assisted over the years. He seemed a little larger-than-life to me in my younger years. He knew freakin everyone from Bakersfield and certainly everyone in the "08". My days go back to Kern County when there were many great funeral directors in the area: John Sams in Arvin; H.K. Holland over in the dessert; Charles Anspach, the Fanucci's and the Greenlawn Group and of course Ray and Betty Mish in Bakersfield; the Landwiers in Taft; Clarence Peters and the Peters Family in Shafter and I'm sure others I may be forgetting to mention. Ray Mish always worked hard and I will remember his as the consummate professional each time I spent time with him. David and Debbie and your respective families and the Staff of Mission Family Mortuary our thoughts and prayers are with you all.*

“ Ray Mish and my grandfather, HK Holland were such great friends and Ray was so proud to have known my grandpa. I learned alot from talking with Ray and had the best time in 2016 when I went to Batesville with him for his 70 years of funeral service dinner.

“ Mr Mish was a nice, caring man. I went to high school with his kids. Debbie was my folk dancing partner. I have been to birthday parties at their house and footballs games with the family. He and his family have taken care of my family through the years. My prayers are with you. Janet Bibee Aubin

“ Mr. Mish was a customer of mine. It was a pleasure to serve him. He always had a great story to tell, or advise to give. He made me feel like speaking to me was the best thing he'd done all day. He'll be sorely missed.

“ My parents, David Bruce and Margie Littlejohn were good friends of the family through the 1950's before they returned to Missouri. Rhonda and I played with David and Debbie while in California. Our thoughts and prayers are with the family.

“ I'm so sorry to hear of Mr. Mish's passing. My husband and I used to run into him at the Sugarmill Restaurant on North Chester. He was always pleasant and took time to talk with us. He was a true gentleman and will be missed greatly in this world. They don't make them like Mr. Mish anymore.
God rest his soul.

“ Here is one of our memories of Ray Mish personally ironing my Dad's flag to be draped over his casket, since he was a veteran. Ray was a good friend of my dad's, obviously a true friend, as seen in this pic. Ray was wonderful & caring person, he will be missed by so many.
