His name is Richard Andrews Sutfin but his mom always called him Andy. This is Rhonda his wife. We had a blended family from the start. Life was tough but with Christ we made it 26 years. We loved going to Pismo Beach eating at Brads cafe. It feels very strange to realize he's not coming home. I have had to learn to live by myself. My Church family has truly held me together. I want all of you to know this. Life can change in an instance. Love your family. Look for the good in everyone and your life will get much better.
