“ I am so sorry to hear Bob has passed away, but know he is seeing Jesus face to face now, as his faith is completed.

Bob lived behind us on Mustang for many years. His front faced our animal stalls, and he used to say he enjoyed watching the antics of our many goats and sheep.

*We served together on the 7th Standard Water Company board also, back when we were on a well. Bob was the guy we went to when there was a problem with the mechanics of our pumps. All of us here had a comraderie because so many were long time/original homeowners in our small neighborhood. When Bob moved out, and as others have followed, the neighborhood was not the same. We used to talk over our cross-fencing, and I enjoyed him and Ann being our neighbors, even though Bob *could* be a little irascible when we discussed water company stuff. lol*

At the estate sale his children/grandchildren held, I bought some things...a set of Metlox dishes, a couple of tall storage shelves with sliding doors, a funny space-ship like antenna...all of which I still use. And truly, I still think of them both because of that.

I pray you are all comforted by a life well-lived...and a man who has not been forgotten.
